STUDY FOR A MASTERS IN ADVANCED AESTHETIC &
RESTORATIVE DENTISTRY WITH THE ACADEMY OF DENTAL
EXCELLENCE & THE UNIVERSITY OF PORTSMOUTH (UK)
TOGETHER WITH THE DENTAL ACADEMY MALAYSIA

3 YEAR PROGRAMME

- **Globally Recognised Diploma:** Designed by Prof. Subir Banerji and awarded by EduQual UK, this Diploma in Advanced Aesthetic & Restorative Dentistry offers world-class education in a flexible, blended format.
- **Comprehensive Curriculum:** Covers smile design, restorative techniques, diagnosis, minimal intervention, occlusion, indirect restorations, and treatment planning with a focus on both function and aesthetics.
- **Pathway to a Master's Degree:** Graduates can progress to a 1-year fully online Master's programme awarded by the University of Portsmouth (UK).

MISSION STATEMENT

PROGRAMME MISSION

Educate dental clinicians on current evidence based treatment techniques & procedures. Enable application of these into day to day clinical practice whilst being prepared for future developments.

The blended learning format enables the busy dentist to complete a structured programme in the field of advanced aesthetic & restorative dentistry with due recognition without taking too much time off from practice. Barring the onsite workshops, students can mostly learn from the comfort of their own home & at their own pace. The assignments can also be submitted online.

FACULTY FOR DIPLOMA PROGRAMME (ONLINE)

The teaching faculty consists of world-renowned Clinical Educators who are in clinical practice & have senior teaching posts at world-renowned universities.
