

FULL MOUTH REHABILITATION

Complex Restorative Course

DR. ELVIN LEONG

2 - 6 JULY 2026

FEATURING
DR. PETER TAY
MR. RICHARD TYE MASTER CERAMIST

Experience a groundbreaking dental workshop designed to elevate your skills and confidence:

- Hands-On Practice: Prepare provisional restorations for up to one full arch of teeth in a realistic clinical simulation.
- Master Treatment Planning: Learn to present complex, high-value treatment plans and turn them into completed cases.
- Lab Excellence: Work alongside a master dental ceramist in our exclusive lab module.
- Ongoing Support: Join the Elite Full Mouth Rehab Tribe chat group for post-class mentorship, case guidance, and peer sharing to ensure your success.
 - Former alumni are welcome to join selected modules of future courses at a minimal fee

DR ELVIN LEONG

COURSE COORDINATOR/SPEAKER/SURGEON

Dr. Elvin Leong, an accredited Dental Specialist in Prosthodontics with the Singapore Dental Council, began his dental education at the National University of Singapore (NUS). He advanced his expertise by specializing in Prosthodontics, earning both a Master of Dental Surgery (Prosthodontics) from NUS and a Membership in Restorative Dentistry (Prosthodontics) from the Royal College of Surgeons, Edinburgh. Additionally, Dr. Leong is a Fellow of the Academy of Medicine, Singapore, and the Royal Australasian College of Dental Surgeons in Prosthodontics.

Dr. Leong serves as an Adjunct Lecturer for both undergraduate and postgraduate students at NUS and previously held the position of Adjunct Associate Professor at the International Medical University in Malaysia. He has also contributed significantly to the professional community, having served as Chairman of the Chapter of Prosthodontists at the College of Dental Surgeons, Singapore. Currently, he is a member of the Dental Specialist Accreditation Committee for Prosthodontics at the Academy of Medicine, Singapore.

His professional service includes a tenure as an executive committee member of the Prosthodontic Society (Singapore) from 2008 to 2015, including serving as President from 2010 to 2012. Additionally, he was an executive committee member of the Aesthetic Dentistry Society (Singapore) from 2017 to 2021. Dr. Leong has also contributed to academic research and dissemination as an abstract writer and reviewer for the International Journal of Prosthodontics, presented at numerous international conferences, and published extensively in scientific journals both locally and internationally.

DR PETER SENG HUI TAY

Dr Peter Seng Hui TAY graduated in 1971 from the University of Singapore in Dentistry. In that year, he was awarded the USSU Gold Medal for the best All-Round Graduand. He then obtained the DGDRC (London) in 1993 and the MGDS RCS (Edinburgh) in 1997.

After 2 years as an associate in a top group practice, he founded Drs. Tay & Partners Dental Surgeons in 1973, which was subsequently renamed to Dental Surgeons. In 2007 he sold his shares in Dental Surgeons and co-founded T32 Dental Center in 2008.

He was President of FED - International Federation of Esthetic Dentistry in 2007 and is a Life Member of AES - American Equilibration Society and AAAP - American Academy of Fixed Prosthodontics.

He was the Co-Founder and Past President of the AACMD (AAOT) - Asian Academy of Cranio-Mandibular Disorders, AAP - Asian Academy of Prosthodontists, AAAD - Asian Academy of Aesthetic Dentistry and AAP - Asian Academy of Prosthodontists.

Dr Tay also lectures both Locally and Internationally. Currently he is President a Healthcare Advisory / Consultancy Company, (GMG) Global Management Group Pte Ltd which was incorporated in 2005.

RICHARD TYE (MASTER CERAMIST)

Richard Tye started his Dental Laboratory in 1981 in Malaysia. His constant search to improve his skills led him to travel and attend many Ceramic Symposiums

In 1989 he was invited for a one week training at Mr. Willi Geller (Master Oral Design founder) laboratory in Zurich, where he gained invaluable experience in ceramic layering techniques. In 1990 he was inducted as Oral Design member Malaysia. Oral Design is a group of dental technicians handpicked by Willi Geller and it stands for Professionalism, Passion, Friendship, Respect, Sharing, Inspiration and Understanding. He collaborated with a German dental lab in 1991 for a period of 2 years on export work, where he gained knowledge on attachments.

He sold his lab in 2002 to pursue other interest. In 2024 he decided to start a small boutique lab Oral Design Malaysia catering to Aesthetic and Full mouth rehabilitation work.

COURSE SUMMARY

This intensive **5 Day** course aims to equip participants with adequate knowledge to begin a **complex case** involving both fixed and removable restorative dentistry. There will be comprehensive theory for occlusion, fixed and removable Prosthodontics, combined with practical hands-on exercises and treatment planning sessions. At the end of the course, participants are expected to be confident to diagnose, case present, coordinate between specialists, and ultimately execute the necessary procedures to complete the case.

DAY 1

8.45 am - 9.30 am

Introduction & Definition of Complex Case & FMR

9.30 am - 11.00 am

Diagnosis & Treatment Planning; How to "See & Start"

11.00 am - 11.15 am

Break

11.15 am - 1.15 pm

Concepts of Occlusion I

1.15 pm - 1.45 pm

Lunch

1.45 pm - 2.45 pm

Concepts of Occlusion II

2.45 pm - 3.45 pm

Demo - Facebow | Inter-Occlusal Registration | OVD

3.45 pm - 4.00 pm

Break

4.00 pm - 7.00 pm

Hands-on

- Facebow Registration
- Occlusal Deprogramming
- Recording of Centric Relation
- Mounting of Casts on Articulator

DAY 2

9.00 am - 9.30 am

Recap on Day 1 Materials

9.30 am - 10.30 am

Writing Up a Treatment Plan

10.30 am - 11.00 am

Break

11.00 am - 1.30 pm

Problem Based Learning | Case Discussions

1.30 pm - 2.15 pm

Lunch

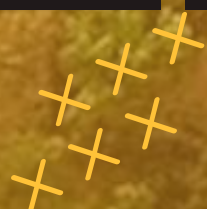

2.15 pm - 5.15 pm

Hands-on

- Verifying Centric Rotation
- Identification of CR - MI Slide
- Prepare for Full Arch Prep Module
- Concept of Diagnostic Wax - Up

5.15 pm - 6.30 pm

Problem Based Learning | Case Discussions

DAY 3

9.00 am – 10.00 am

Material Selection in Restorative Dentistry

10.00 am – 11.00 am

Diagnostic Wax Up & Matrix Preparation

11.00 am – 11.15 am

Break

11.15 am – 1.15 pm

Hands-on Preparations & Provisionalisation (#17 to #27)

1.15 pm – 2.00 pm

Lunch

2.00 pm – 5.00 pm

Hands-on (Continued)

5.00 pm – 5.30 pm

What if Centric Relation is LOST / "Bite is LOST"

5.30 pm – 6.00 pm

How to Recapture Centric Occlusion

6.00 pm – 7.00 pm

Q & A | Case Discussion

DAY 4

9.00 am – 10.30 am

Practice Management Module (Part I)

10.30 am – 10.45 am

Break

10.45 am – 12.45 pm

Practice Management Module (Part II)

12.45 pm – 1.45 pm

Lunch

1.45 pm – 2.45 pm

Practice Management Module (Part III)

2.45 pm – 3.15 pm

Q & A

3.15 pm – 4.15 pm

Laboratory Module (Part I)

4.15 pm – 4.30 pm

Break

4.30 pm – 6.00 pm

Laboratory Module (Part II)

6.00 pm – 7.00 pm

Q & A | Case Discussion

DAY 5

9.00 am – 10.30 am

Hands-on (Closure)

10.30 am – 10.45 am

Break

10.45 am – 12.45 pm

Removable Prosthodontics – Partially Edentulous

12.45 pm – 1.45 pm

Lunch

1.45 pm – 3.45 pm

Removable Prosthodontics – Completely Edentulous

3.45 pm – 4.15 pm

Laboratory Module

4.15 pm – 4.30 pm

Break

4.30 pm – 7.00 pm

Case Discussions
